APPOINTMENT ADVICE

Dear Mrs. Rita Das

Thank you for your request for an outpatient clinic appointment. The details of your appointment are as follows:

Patient Name	Mrs. Rita Das
Appt No	#196113
Date	04-03-2024
Reporting Time	09:00 AM
Clinic	Cornea & Anterior Segment
Doctor	Dr Sujata Das
Visit Type	Fresh with Appointment
Amount	400

NEW**Reporting time:**

- Please report at the front-desk at the main reception at least 15 minutes before your scheduled appointment
- Carry a copy of this letter and your medical reports and details of investigations (such as CT scan films etc.)

One Attendant:

- Only one attendant can accompany an adult patient
- If the patient is below 12 years, both the parents can accompany the patient

Consultation Charges:

The initial consultation charges for your comprehensive eye examination will be Rs. 400 for the *General* category. If you wish to be a *Supporter* (Rs. 600) or a *SightSaver* (Rs. 1600), which would entail personalized check-in and assistance, exclusive waiting lounges, minimal waiting time, and an end-of-the-visit report summarizing your medical condition, please contact the Help Desk on arrival.

Waiting time:

- Every effort will be made for you to be seen close to your time of appointment
- We aim to keep the waiting time under one hour
- Unfortunately, medical emergencies and the needs of other patients may cause additional delay

Eye Examination:

- A detailed assessment of your eye health will be done
- The complete eye examination may take approximately 2 to 4 hours - depending on the complexity of your problem and the need for special consultations with other specialists
- The doctor may decide to perform additional tests and investigations as necessary after your initial evaluation. If so, we will try to arrange these on the same day
- The time and charges for additional tests and investigations will be conveyed to you before these are performed

Rescheduling your Appointment:

- In case you want to reschedule your appointment, please let us know at the earliest
- Normally, we are able to reschedule your appointments provided you inform us as early as possible
- This will be done based on the availability and the schedule of the doctor concerned

General Points:

- Please keep your phone on silent mode once you enter the hospital premises
- We look forward to being of service to you.

Sincerely,

Kundan Naik
